

The Promises about Death and Dying - Found in God's Word

The following Scriptures convey God's Truth about death and the process of dying. Take your time and pray through each one, make a paraphrase in the right column. Personalize the Scriptures by inserting your name or changing it to God's voice or 1st person where needed. Pray for God to open your heart and mind, showing you anything He wants you to know. (the first one is done as an example)

Once you have finished these Scriptures, look back through your paraphrases and circle 2 or 3 that stand out to you. Spend a few moments here. Making notes here or in your journal.

As we work to develop new and true ideas about death and dying, it is important to remember these truths.

Take a little time with the Scriptures you circled. Create something that will help you remember what God has shown you during this exercise. Perhaps a bookmark with the Scripture that especially stands out to you.

You are free to explore all that you find. May God bless this time with all you need to know.
